### **DECISION ON JOINT STIPULATION<sup>1</sup>**

On May 23, 2019, John Olson filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*<sup>2</sup> (the “Vaccine Act”). Mr. Olson alleged that he developed Guillain-Barré syndrome as a result of an influenza (“flu”) vaccine that was administered on October 27, 2017. Petition at 1; Stipulation, filed on May 25, 2023, at ¶¶ 2-4. Mr. Olson further alleged that he received the vaccine in the United States, that he experienced the residual effects of his injury for more than six months, and there has been no prior award or settlement of a civil action for damages as a result of his alleged condition. Petition at 1-2; Stipulation at ¶¶ 3-5. Mr. Olson passed away while this case was pending, and on August 13, 2021, his daughter, Robin Roseland was substituted as Petitioner on behalf of Mr. Olson’s estate. ECF No.

Petitioner,  
  
v.  
  
SECRETARY OF HEALTH AND  
HUMAN SERVICES,  
  
Respondent.

The parties hereby stipulate to the following matters:

2. Mr. Olson received the flu vaccine on October 27, 2017.

3. The vaccine was administered in the United States.

5. Petitioner represents that there has been no prior award or settlement of a civil action for damages on behalf of Mr. Olson as a result of his alleged vaccine injury or death.

6. Respondent denies that the flu vaccine caused Mr. Olson to suffer from a neurologic injury, Guillain-Barré syndrome (“GBS”), chronic inflammatory demyelinating polyneuropathy (“CIDP”), or any other injury, and denies that Mr. Olson’s death is a sequela of a vaccine-related injury.

7. Maintaining their above-stated positions, the parties nevertheless now agree that the issues between them shall be settled, and that a decision should be entered awarding the compensation described in paragraph 8 of this Stipulation.

8. As soon as practicable after an entry of judgment reflecting a decision consistent with the terms of this Stipulation, and after petitioner has filed an election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), the Secretary of Health and Human Services will issue the following vaccine compensation payments:

- A. A lump sum of **\$253,204.53**, in the form of a check payable to petitioner as personal representative on behalf of the estate of Mr. Olson; and

<sup>1</sup> This amount represents full satisfaction of any right of subrogation, assignment, claim, lien, or cause of action that the State of Minnesota may have against any individual as a result of any Medicaid payments that the Minnesota Program has made to or on behalf of John Olson as a result of his alleged vaccine-related injury suffered on or about October 27, 2017, under Title XIX of the Social Security Act, *see* 42 U.S.C. § 300aa-15(g), (h).

These amounts represent compensation for all damages that would be available under 42 U.S.C. § 300aa-15(a).

9. As soon as practicable after the entry of judgment on entitlement in this case, and after petitioner has filed both a proper and timely election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1) and an application, the parties will submit to further proceedings before the special master to award reasonable attorneys' fees and costs incurred in proceeding upon this petition.

10. Petitioner and her attorney represent that they have identified to respondent all known sources of payment for items or services for which the Vaccine Program is not primarily liable under 42 U.S.C. § 300aa-15(g), including State compensation programs, insurance policies, Federal or State health benefits programs (other than Title XIX of the Social Security Act (42 U.S.C. § 1396, *et seq.*)), or entities that provide health services on a pre-paid basis.

11. Payments made pursuant to paragraph 8 of this Stipulation, and any amount awarded pursuant to paragraph 9, will be made in accordance with 42 U.S.C. § 300aa-15(i), subject to the availability of sufficient statutory funds.

12. Petitioner represents that she presently is, or within ninety days of the date of judgment will become, duly authorized to serve as the legal representative of Mr. Olson's estate under the laws of the State of Minnesota. No payments pursuant to this Stipulation shall be made until petitioner provides the Secretary with documentation establishing petitioner's appointment as legal representative of Mr. Olson's estate. If petitioner is not authorized by a court of competent jurisdiction to serve as legal representative of Mr. Olson's estate at the time a payment pursuant to this Stipulation is to be made, any such payment shall be paid to the party or

parties appointed by a court of competent jurisdiction to serve as legal representative of Mr. Olson's estate upon submission of written documentation of such appointment to the Secretary.

13. In return for the payments described in paragraph 8, and any amount awarded pursuant to paragraph 9, petitioner, in her individual capacity, as personal representative on behalf of the estate of John Olson, and on behalf of Mr. Olson's heirs, executors, administrators, successors, or assigns, does forever irrevocably and unconditionally release, acquit and discharge the United States and the Secretary of Health and Human Services from any and all actions or causes of action (including agreements, judgments, claims, damages, loss of services, expenses and all demands of whatever kind or nature) that have been brought, could have been brought, or could be timely brought in the Court of Federal Claims, under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10, *et seq.*, on account of, or in any way growing out of, any and all known or unknown, suspected or unsuspected personal injuries to or death of Mr. Olson resulting from, or alleged to have resulted from the flu vaccine administered on October 27, 2017, as alleged in a petition filed on May 23, 2019, in the United States Court of Federal Claims as petition No. 19-768V, and an amended petition filed on January 6, 2021.

14. If the special master fails to issue a decision in complete conformity with the terms of this Stipulation, or if the United States Court of Federal Claims fails to enter judgment in conformity with a decision that is in complete conformity with the terms of this Stipulation, then the parties' settlement and this Stipulation shall be voidable at the sole discretion of either party.

15. This Stipulation expresses a full and complete negotiated settlement of liability and damages claimed under the National Childhood Vaccine Injury Act of 1986, as amended, except as otherwise noted in paragraph 9 above. There is absolutely no agreement on the part of the parties hereto to make any payment or do any act or thing other than is herein expressly stated

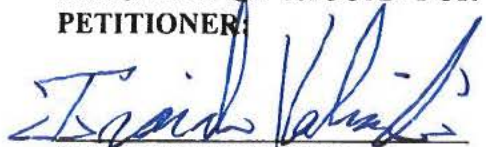

Respectfully submitted,
